NEW HD Electric Company Website

HD Electric Company is pleased to announce the launch of our NEW website. The new site has a clean, fresh look and showcases all of our manufactured products. Some new features allow visitors to:

- Request a copy of our Short Form Product Catalog – simply fill out a form and the catalog will be mailed that same week.
- Search for sales reps - our upgraded Rep Locator page makes it even easier to locate and contact our Sales Reps.
- Search for products - new search function allows product pages to be found even faster.
- Download all product literature, manuals and articles.
- Latest News - upgraded with photos and the ability to view past Latest News items.

Our new website has much to offer – check us out at www.HDElectricCompany.com.

No matter the type of generation...
...HD Electric has the solution

Welcome to HD Electric Company

For more than seventy-five years, HD Electric Company's mission has been to design and manufacture products to help our customers manage and deliver electric power in a safe and efficient manner. We accomplish this mission by designing products and providing solutions with a passion for excellence and innovation. At the core of our success are the relationships we've established with our customers and the reputation we've earned. From safety products for your line crews to products for controlling smart grid applications, HD Electric Company has the solution.
