

NEW Short Form Product Catalog

HD Electric Company is pleased to announce that our *new* four-color **Short Form Product Catalog** is now available. This 52-page catalog contains product offerings in two categories for the electrical power industry: Test, Measurement and Safety; Controls and System Monitoring. The catalog provides a description of each product along with photos, part numbers and a website search term for additional information. To receive a copy of the HDE Short Form Product Catalog click this **[Request Catalog](#)** link to be directed to the request form on our website.

For more information on HDE's product line, please visit our website at www.HDElectricCompany.com.
