

# HD Electric Company's VarCom<sup>®</sup> Communicating Capacitor Controls

The VarCom<sup>®</sup> Series of Capacitor Controls with ComFlex<sup>®</sup> flexible communications technology allows the user the option of deploying controls with communications factory installed, or the option of deploying the control initially as a local control and later upgrading it with communications. VarCom controls are based on the popular NoMax<sup>®</sup> Capacitor Control design, which features a best-in-class local control intuitive user interface.
