PRODUCT CHANGE NOTIFICATION

March, 2008

Dear Valued Customer:

Please be advised that HD Electric Company has discontinued the Cyclops I LED Hard Hat Lights (4 AA battery version) due to the bulbs no longer being available. We are offering a new LED Hard Hat Light, the Cyclops LED which uses 3 AAA batteries.

The new version of the Cyclops LED Hard Hat Light is lightweight and has 4 different settings – Flash, High, Medium and Low. It also has a longer beam length than the previous version.

Discontinued Models:

CY1-DWB – Cyclops I with LED Bulb, Wide Beam Reflector, Batteries

CY1-DWN – Cyclops I with LED Bulb, Wide Beam Reflector, No Batteries

New Model:

CY3-LED – Cyclops with LED Bulb, Spot Beam Reflector, Batteries

Discontinued Model
Cyclops I LED

New Model
Cyclops LED

If you should have any questions regarding these product changes, please consult the factory at (847) 473-4980.
